COMFORTING WORDS

Many a Astoria Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Astoria readers.

Mrs. Captain C. G. Groves, of 834 Raleigh street, Portland, Ore., says: "Lapse of time has not lessened the confidence I have had in Doan's Kidney Pills since February, 1903, when I publicly recommended them. I had used them in treating kidney trouble of several years' standing. It originally started with dull aching in the small of my back over the kidneys. Colds aggravated the trouble and made the pain sharp and acute. Any extra exertion would bring on a prostrating attack. I had tried various remedies for the trouble without avail, but Doan's Kidney Pills began to help me right after I started using them. They gradually banished the back-ache and pains in the loins, strengthened the kidneys and helped me in every way. I can conscientiously recommend Doan's Kidney Pills to any sufferer from kidney complaint."

Plenty more proof like this from Astoria people. Call at Charles Rogers, Drug store and ask what customers report.

Given Up to Die.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." Why not let it help you? T. F. Laurin, Owl Drug Store.
